

Parent/Carer Code of Conduct

VERSION: January 2024

Rationale

At Donisthorpe Primary School we are very fortunate to have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community.

As a partnership, our parents understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

We believe staff, parents and children are entitled to a safe and protective environment in which to work. Behaviour that will cause harassment, alarm or distress to users of the premises is contrary to the aims of the school.

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about the expected conduct.

We expect parents, carers and visitors to:

- Respect the caring ethos of our school
- Understand that both teachers and parents need to work together for the benefit of their children
- Demonstrate that **all** members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour
- Work with the school to reconcile a child's perception of events with other points of view in order to bring about a peaceful solution to any issue
- Approach the school to help resolve any issues of concern

In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting the following:

- Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Shouting, either in person or over the telephone
- Speaking in an aggressive/threatening tone
- Physically intimidating , e.g. standing very close
- The use of aggressive hand gestures/exaggerated movements
- Physical threats
- Shaking or holding a fist towards another person
- Swearing
- Pushing/Hitting/Spitting
- Inappropriate posting on Social Networking sites
- Racist or sexist comments
- Smoking

- Consumption of alcohol or banned substances

Should **any** of the above behaviour occur on school premises the school may feel it is necessary to contact the appropriate authorities and if necessary, even ban the offending adult from entering the school grounds.

Any parent who is asked to leave the school premises will have the right to appeal the decision by writing to the Chair of Governors

Issues of conduct with the use of Social Media

Most people take part in online activities and social media. It's fun, interesting and keeps us connected.

The PTA has a Facebook page which allows parents to receive and respond to messages about school events. We encourage you to positively participate if you wish.

Within these spaces however we ask that you use common sense when discussing school life online.

'Think before you post' We ask that social media, whether public or private, should not be used to fuel campaigns and voice complaints against the school, school staff, parents or children.

We take very seriously inappropriate use of social media by a parent to publicly humiliate or criticise another parent, member of staff or child.

We would expect that parents would make all persons responsible for collecting children aware of this policy.

We trust that parents and carers will assist our school with the implementation of this policy and we thank you for your continuing support of the school.

This policy will be reviewed every 3 years.
