Part A: Pupil premium strategy plan

Statement of intent

When making decisions about using Pupil Premium funding it is important to consider the context of the school and the subsequent challenges faced. Research conducted by EEF should then be used to support decisions around the usefulness of different strategies and their value for money.

Common barriers to learning for disadvantaged children, can be less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no "one size fits all".

Our ultimate objectives are:

- ✓ To narrow the attainment gap between disadvantaged and non-disadvantaged pupils
- ✓ For all disadvantaged pupils in school to make or exceed nationally expected progress rates
- ✓ To support our children's health and wellbeing to enable them to access learning at an appropriate level

We aim to do this through

- Ensuring that teaching and learning opportunities meet the needs of all the pupils
- Ensuring that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- When making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Achieving these objectives:

The range of provision made for this group include and would not be inclusive of:

- Ensuring all teaching is good or better thus ensuring that the quality of teaching experienced by all children is improved
- To allocate additional learning support to provide small group work focussed on overcoming gaps in learning
- 1-1 support
- Additional teaching and learning opportunities provided through trained ELSA or external agencies
- All our work through the pupil premium will be aimed at accelerating progress, moving children to at least age-related expectations
- Support payment for activities, educational visits and residential. Ensuring children have first-hand experiences to use in their learning in the classroom.
- Behaviour support
- Support for equipment and resources to ensure equality of opportunity for all children

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our pupil premium children are not making as rapid progress in reading, writing and maths as non-pupil premium children
2	Outcomes and progress of the pupils are significantly affected by their home life (high numbers of LAC children)
3	Some of our youngest pupil premium children have poorer oral language and vocabulary skills
4	Some of our pupil premium children have limited life experiences and opportunities to join in with enrichment

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress in Reading	Achieve national average progress scores in KS2 Reading
Progress in Writing	Achieve national average progress scores in KS2 Writing
Progress in Mathematics	Achieve national average progress scores in KS2 Maths
Improved attendance for disadvantaged pupils	Ensure attendance of disadvantaged pupils is above 96%
Improved attitudes to learning	Reduction of negative behavioural incidents
Improved wellbeing	Pupil surveys reflect greater enjoyment and engagement in school Reduction in referrals to Inclusion/ELSA

Activity in this academic year

working in small groups. Concepts to be taught and reinforced through fluency and recap tasks	on with most children making good progress from their starting points. Standards achieved by pupils eligible for PP continues to at least match that of other pupils to narrow the gap.
Inclusion support team to work in school 1 day per week, working with individuals and groups. Improving confidence and behaviour and removing barriers to learning.	Individual reports written after every session and monitored half-termly. Staff and parent/carer discussions.
Additional reading breakfast club x 1 morning per week before school	Increased enjoyment/engagement with reading
Emotional Literacy Support Assistant (ELSA) to support PP children – promoting the emotional literacy of children. Provide additional support at lunchtimes and break times.	Improved emotional literacy – children able to deal with conflict, more resilient. Children becoming more self-confident.
Exciting trips and visits will be planned to enhance the curriculum including residential for Year 5 and 6 and a whole key stage theatre visit (cultural capital) with families	We have increased the number of trips/visits this year. Cost is not a barrier for families. However this has still been implemented by the pandemic somewhat.
Improving readiness to learn for the most disadvantaged pupils- include purchasing of resources to support class based learning Forest School sessions to build on characteristics for learning and develop positive wellbeing	Children becoming more resilient when facing challenges. Boosting self-esteem, encouraging team work and problem solving strategies – promoting independence. Good progress in class based learning.
Music tuition and hire/purchasing of instruments	Improvement in self-confidence, patience and perseverance - developing characteristics essential for lifelong learning.
Additional PE kits bought to allow to participate fully in sport to raise self-esteem.	Development of perseverance, resilience, self-confidence and have the opportunity to attend a wide range of sporting events.
Additional school uniform purchased to ensure PP children don't feel disadvantaged at school.	Children feel a sense of belonging and pride – raising their self-esteem and confidence. In turn this filters through to their academic work allowing them to make good progress.
