Dear Parents and Carers,

I'm excited to be writing to you as the newly appointed Headteacher of Donisthorpe Primary School, beginning next academic year. It's a role I feel incredibly honoured to take on.

Having been part of our school for most of my teaching career, I've seen first-hand what a special place it is — with its caring staff, brilliant children, supportive families, and strong sense of community. One of the things I've valued most during my time here is the positive relationships we share with you as parents and carers.

I'd also like to take this opportunity to thank Mrs Newman for her outstanding leadership and unwavering dedication to Donisthorpe. I have learned a great deal from working alongside her and will always be grateful for her support and mentorship over the years.

It's a real privilege to be continuing this journey with you all. I'm very much looking forward to leading the school into its next chapter and working closely with you to ensure the very best for our children.

I've been touched by the many messages of congratulations and kind wishes — thank you. Your continued support really does mean a lot.

Warmest regards,
Jamie Williamson
