

Membership of the Forest Way Teaching School Alliance

Donisthorpe Primary School has been a member of the FWTSA since September 2013. Our membership gives us the opportunity to work with other schools on important areas for our learners; it gives our teachers and support staff access to high quality professional learning throughout the year; it offers us support for individual learners through Forest Way's SEN expertise.

Charlie Taylor, Chief Executive of the NCTL, gave a speech about a school-led system to the conference in Nottingham on 17th January 2014.

"Forest Way is much more than an outstanding school. It is, I believe, a template for education in England in the future. It was one of the first teaching schools designated in 2011 and since then it is quite remarkable what has been achieved."
