Help Wanted

Interested in volunteering? Contact us now to get involved 😊 We are especially keen to find someone who would be eager to take on a treasurer's role alongside Wendy for 2024 - 2025. To eventually take the baton from her. If this could be you – let us know!

Chair's Message

Happy Christmas to everyone! As the ink dries on this month's newsletter, we have just finished our last event of the year 'Breakfast with Santa'. It was so lovely to see, so many of the children together enjoying the festivities. A shout out to **Ah-mazing Events UK** for providing a fabulous grotto for our event. The children's faces were a picture!

I am immensely proud of what the PTFA has achieved this year, a staggering £1,634 raised already, towards our wonderful school! Thank you again, for continuing to support us. We could not achieve what we do without everyone's contribution. Please encourage those that would benefit from insight to all that goes on to join our Facebook community.

All that is left to say, is a very *Merry Christmas and a Happy New Year* from all of us at the PTFA! See you in the New Year.
